

## **EXCEL CENTRAL SCHOOL.**

**Department :** LOW ACHIEVERS

**IN CHARGE :** Ms .SMITHA.

### **Key Decisions and Practices.**

- 1) Collect the list of slow learners.
- 2) Categories them as primary, middle, high and higher secondary .
- 3) Conduct meeting with their teachers.
- 4) Select few teachers as leaders.
- 5) Discuss the problems with students and teachers separately.
- 6) Analyse the problems with some experts, like doctors .
- 7) Suggest some solutions for problems like short attention span, poor memory, ADHD, emotional problems, hormonal issues etc.
- 8) Conduct parents meet after that.
- 9) Seek the help of experts in implementing strategies like :
  - ❖ Simplified curriculum
  - ❖ Simple Qn papers
  - ❖ New activities for lower classes.
  - ❖ Appreciating children with some gifts.
- 10) Conducting some special classes.
- 11)Discussing the complaints and concerns with Mam.
- 12)Keen and consistent follow-up with the parents of those children .
- 13)Conducting meeting with Children to boost their confidence.

Thank you.
